A CARD TO THE NEWS.

Ed. Bourbon News:

Sir:—Will you kindly allow us through your columns of the News to express our gratitude to the members of Garth Lodge, A. O. U. W., for their liberality and kindness in giving the bazaar for the benefit of the Paris Hospital fund. More especially are we grateful to the members of the committee who sacrificed their time and labor so hard to make the affair a success. If in the future the hospital is built, and any members of Garth Lodge should be unfortunate enough to be a patient there, those in charge of that institution should see that everything that kind hands and grateful hearts could do should be done for their benefit. Respectfully,

MRS. E. F. CLAY, Pres.
MRS. WM. MYALL, V. Pres.
MRS. J. T. HINTON, SR., Treas.
MRS. DUNCAN BELL, Sect.

AN ELDER SENT TO PEN.

William Curran, one of the most widely-known business men of Lexington and an elder in the Second Presbyterian church, was found guilty of embezzling by a jury Friday and his punishment fixed at one year in the penitentiary.

Mr. Curran, was director and vice president of the late Industrial Mutual Deposit Company, one of the numerous investment Companies, and it is charged that in 1901, while holding these offices, he, by declaring false dividends or similar illegal methods, appropriating to his own use \$500 of the company's funds.

Dr. A. P. Taylor, former president of the defunct Industrial Mutual Deposit Company, was placed on trial in the Fayette Circuit Court Saturday on the charge of having embezzled \$500 of the surplus fund of the company. This is Dr. Taylor's second trial for the offense. Three years ago in the first trial the verdict was three years in the penitentiary, but the Court of Appeals reversed the judgment. He is one of Lexington's leading physicians.

A NEW STATE.

The national Senate passed a bill for the admission of a new State to be called Oklahoma and to be composed of Oklahoma and Indian Territories. It was the House Joint Statehood Bill with the provision for the admission of Arizona and New Mexico as one State stricken out. The motion to strike out was made by Mr. Burrows and was carried by a vote of 37 to 35. The first test vote came on the Foraker amendment providing that Arizona and New Mexico be allowed to vote separately on the joint statehood proposition. This amendment was adopted by a vote of 42 to 49. The Senate will now take up the Railroad Rate Bill.

STILL FIGHTING.

JETT TRIAL CONTINUED.

The trial of Curtis Jett, indicted for the assassination of James Cockrell in February, 1902, at Jackson, Ky., was continued Friday at Cynthiana by special Judge Botts, of Owenton, until June 4. Attorney Blanton filed the affidavit of Jett, reciting that many witnesses were absent, and stating what he could prove by them. The Commonwealth refused to admit the substance of the affidavit, and the case was continued.

Jett was taken to Jackson to testify in the trial of Hargis, Callihan and others accused of the murder of J. B. Marcum. Jett will be taken back to Cynthiana where he will remain until June.
